IOCT Masters in Creative Technologies/Timetable 2011-2012

SEMESTER 1	9am	10am	11am	12pm	1pm	2pm	3pm	4pm	5pm
Monday		MADI5104/ Creative Digital Media Design				PSYC5401/Approaches to Study of Well-Being			
Tuesday			IOCT5007/Research Methods for Creative Projects			MADE5002 Marketing for the Creative Entrepreneur			
						IMAT5164/Computer Games Programming (runs all year)			
						ENGT5124/Interactive Media			
Wednesday	IMAT5165/Mathematical Modelling (runs all year)				IMAT5163 Game Architecture (runs all year)				
Thursday	ENGT5122/Video Production					ENGT5123/Audio Production			
Friday		Adventures		IOCT5003 Digital Cultures		MADE5003 Critical Perspectives in Design Mngt			

SEMESTER 2	9am	10am	11am	12pm	1pm	2pm	3pm	4pm	5pm
Monday		IOCT5006/Research Methods in Practice		IOCT5005 Creative Writing and New Media		PSYC5403/Lifestyle, Wellness and Well-Being			
Tuesday	IMAT5263/Audio Programming					ENGT5262/Dynamics of Creativity and Entrepreneurship			
						IMAT5164/Computer Games Programming (runs all year)			
						MADE5101/ Nature of Creativity			
		IMAT5232/Evolutionary Computing			HOLO5001/Lens Based Media				
Wednesday	IMAT5165/Mathematical Modelling (runs all year)				IMAT5163 Game Architecture (runs all year)				
		PSYC5404/Well-Being in Cultural, Social and Economic Contexts							
Thursday		MADE5005/ Business Planning for the Creative Entrepreneur							
		IMAT5234 Applied Computational Intelligence							
Friday		Adventures			IOCT5004/Performance Technologies				

IOCT Masters in Creative Technologies/Timetable 2011-2012

ENG5131   **Computer Aided Design**
                This is taught over one intensive week, (week 8)
ENGT5132   **Rapid Prototyping**
                This is taught over one intensive week, (week 5)
ENGT5230   **Reverse Engineering**
                This is taught over one intensive week, (week 11)
ENGT5240   **Virtual Prototyping**
                This is taught over one intensive week, (week 31)

If you want to do one of the modules that runs over one intensive week but it clashes with another module choice, contact the module leader to see if it will be possible for you to miss one of their sessions for that week.
